## MEMORIALS

IN MEMORY OF  
**Damon Jiraud Corey**

March 23, 1991 — January 17, 1994

Sometimes angels leave this world early so that we can feel what they mean to us and think about what they stand for and stand for in life.

Surely missed by your  
Loving Family, Relatives, and Friends

To Honor and to Remember

There is much you should know in selecting a Monument. It should be selected with thought. You can rely upon our counsel and advice.

## Pain may be eliminated for million

(SPECIAL) A new drug has been approved that is exciting researchers in the treatment of pain. This material has been formulated into a new product known as "Arthur Itis," and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions

such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis relieves pain by first selectively attracting and then destroying the messenger

Available at:
